PRODUCT / SERVICE	DESCRIPTION
-------------------	-------------

Irrigation

The Contractor will inspect the irrigation system monthly (wet checks) to ensure proper operation including pumps, pressure tanks, filters, valves, sprinkler heads, time clocks, etc. Included in Maintenance Contract

Any necessary minor repairs will be done at the time of the monthly inspections. The cost of repairs and parts will be billed to the owner in addition to the monthly contract at \$65.00 per man hour. Not to exceed \$300.00 on one individual repair until approved by community representative.

Timers shall be programmed to current time of day/week and all watering shall be done according to area mandates.

Any sprinkler heads damaged by Contractor due to improper functioning (i.e., stuck rotors, pop-ups, etc.) shall not be the responsibility of the Contractor.  
Emergency and after hour calls will be charged \$75.00 per hour per man plus parts.

Disclaimer

Proposal is valid for a 30 day period, if approved after 30 days price may need to be adjusted due to current market Volatility. Everyday Maintenance will take precautions to prevent any damage while working on property. In the unlikely event that damage occurs Everyday Maintenance is not responsible for damages to pipes, electric, phone, or cable lines.
